## COVID-19

**This schedule has been compiled on a basis of best intentions. However the Association reserves the right to change or cancel any or all of the classes in this schedule depending on the situation at the time regarding the COVID-19 pandemic.**

## **PRESIDENT'S MESSAGE**

As I write this we have all endured a year of uncertainty, fear and almost continued lock-down. So, it is with great anticipation that I look forward to seeing you all at, we hope, some social events but mainly at the Ploughing Match being held at Church Farm by kind permission of the Philp family.

Farmers have, of course, just kept going regardless of 'social-distancing' and often with little support. The Ploughing Match is their chance to meet like-minded people, to relax and catch up with friends and families, so this year will be looked forward to more than ever.

It is also where we have the opportunity to show case farming skills and agriculture to the general public in order to give them a better understanding of rural life. The exhibits in the marquee are also not to be missed.

Let us hope we can put 2020 behind us and go back to living a more normal life.

Good luck to everyone taking part, particularly those in the ploughing classes. It is a skill to be admired by us all it stirs the heart to see everyone taking part and doing what they do best.

See you at the show.

**Mary Fallon**

**His Royal Highness The Prince Philp, Duke of Edinburgh  
KG, KT, OM, GBE, QSO**

**1921 - 2021**

**President of the Royal East Berks Agricultural Association  
1989**

The President, Committee and Members of the Association express our sadness on the death of His Royal Highness and sympathy to our Patron, Her Majesty The Queen, and The Royal Family.

Among the Duke's many interests was his involvement and knowledge he had in agriculture, and he has been closely involved with the Association for many years. He honoured us with his presence at the show in 1953 and many of us can recall the year 1989 when he honoured us by becoming our President as the Association celebrated 150 years. We enjoyed an anniversary party in the grounds of Frogmore and many times were privileged to hold our annual ploughing match in the grounds of Windsor Great Park, where His Royal Highness took a personal interest in our activities. The number of Royal East Berks prizes that have been won by the Royal Farms at Windsor, including The King's Cup which was presented to the Association by The Duke's late Father-in Law King George VI, is testament to his interest and skill. One of the most keenly-contested of our annual Association competitions is the Duke of Edinburgh Award for Nature Conservation. Last year the Association organised a Tractor Run which proceeded from the outskirts of Maidenhead into Windsor and then travelled along the Long Walk concluding at the York Club. This event raised a very large sum of money for a local charity and everyone taking part was greatly touched that we were granted permission to be allowed to do this.

He will be greatly missed by the Association and around the world.

I worry about how I am going to pass my estate to my children in a tax efficient manner? I have heard about Agricultural Property Relief (APR) and Business Property Relief (BPR) - but I'm not sure of the rules or if my property qualifies

APR and BPR reliefs are complex and can be challenged by HMRC, particularly if woodland, solar panels, wind turbines and rental properties, to name but a few, are involved. You need to ensure you are operating correctly to maximise the relief.

I've heard about Making Tax Digital (MTD) and changes to dividend rules. Does this impact on the structure of my business - should I be operating as an LLP, Limited Company or a Partnership/Sole Trader?

Your accounting system needs to be able to handle quarterly electronic filing for MTD. There are big changes to the dividend tax regime; a review of your business and remuneration structure could lead to tax savings.

Why not get in touch with one of Oury Clark's Chartered Tax Advisers for a free meeting to discuss your accounting and tax concerns?
