PRESIDENT'S MESSAGE

Following two years of total confusion with the way we should go we are hopefully entering a period of normality.

Mary, my predecessor, had a wonderful autumn with an excellent ploughing match at Church Farm and a delightful autumn luncheon to round off the year.

I am now taking you into the world of horticulture and the ploughing match on September 25th will be at Philip Mortimers land at Wargrave, next to our fruit growing under polytunnels at Sheeplands farm. We would like all our members to bring along some farming kit for the general public to see the world of farming.

The domestic classes are splendid to see so let's have lots of entries. We have large gardens and big farmhouse kitchens so no excuses!

In this Platinum Jubilee year, I am sure we can celebrate our amazing Patron, Her Majesty the Queen, at sometime this summer.

The industry is entering a period of huge uncertainty with the environment featuring more than the need for food. That message would not be so welcome in the likes of Afghanistan or Myanmar.

I am sure we will see it through.
